The Customer authorises the Agent to act on the Customer's behalf in:

1. Procuring from United Energy metering data including NMI standing data about the Customer; and
2. Making enquiries on behalf of Customer in relation to metering data.

The Customer:

1. Releases United Energy from any claim in connection with the Agent acting outside its authority including in releasing its metering data information to unauthorised third parties; and
2. Acknowledges that United Energy will rely on this authority in releasing the Customer's metering data to the Agent and will be entitled to do so until the Customer advises United Energy, in writing, that this agency authority has been revoked.

Where this notice of authorisation is signed for the Customer by an authorised representative of the Customer, that representative warrants that it has full capacity to sign on and behalf of the Customer.

Yours sincerely,
